Scheme for Fellowships for conducting Ph.D. Programmes and research projects in AYUSH streams through Research Councils under Ministry of AYUSH

INTRODUCTION:

The medicine and practices related to Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy {AYUSH} is presently seen as an alternative to modern medicine in respect of number of diseases. For some diseases, it has the potential to replace modern medicines. Of late, much thrust has been given to the systems of AYUSH through many initiatives by the Government. A modern approach towards research linked with outcomes is one such initiative being taken by the Ministry. Availability of quality- research manpower is unarguably one of the essential components to achieve this objective.

There are five autonomous Research Councils working under Ministry of AYUSH namely, Central Council for Research in Ayurvedic Sciences{CCRAS}; Central Council for Research in Yoga and Naturopathy{CCRYN}; Central Council for Research in Unani Medicine{CCRUM}; Central Council for Research in Siddha {CCRS}; and Central Council for Research in Homoeopathy{CCRH}. These Councils are engaged in various research, namely, fundamental research, Clinical Research, drug standardization, validation of classical drugs, literary research etc. These researches are conducted under Intra Mural Research programmes, i.e. in-house programme; Extra Mural Research programme or collaborative programmes. There are 82 institutes under these Councils across the country. These Research Councils require manpower for their own organization. It may also help other organizations to conduct their programmes through provision of fellowships to suitable scholars for pursuing Ph.D. programmes. In this background, Ministry of AYUSH through its Research Councils envisage a scheme to provide fellowship to meritorious scholars from AYUSH system.

UGC has issued advisory vide D.O.No.F.14-12/2016(CPP-II) dated 26th October, 2016 (https://www.ugc.ac.in/pdfnews/1475485_UGC-letter-AYUSH.pdf) to the Vice Chancellors of all Universities for Inclusion AYUSH disciplines in Universities and in the affiliated Colleges for enrolment of candidates in the Ph.D. programs and avail fellowship from the concerned AYUSH Research Council.

Accordingly, the Ministry of AYUSH has requested to the Vice Chancellors of all Universities and Directors of Institutes having

status of University vide D.O. No. D-15070/13/2016-RD(Pt.I) dated 17.04.2018 (http://ccras.nic.in/sites/default/files/Notices/19042018_AYUSH_Note_NET_UGC.pdf) to extend exemption to AYUSH-NET qualified candidates from university entrance test for Ph.D. Programme in their esteemed university and affiliated colleges, similar to the exemption already granted to UGC-NET and CSIR-NET etc. qualified candidates from the Ph.D. Entrance Test.

Such leave period will be counted in the tenure. Such leave can be taken only after joining and working as Research Scholar at least for one year. Fellow has to report for duty at the same place from where he/she proceeded on leave.

19. LEAVE

Casual Leave will be admissible according to the rules of the Institution where the Fellow would be placed for work. Leave with stipend not exceeding 30 days for each completed year of tenure may be allowed by the Guide after the request has been communicated to Council concerned. The leave will be treated as part of the Fellow's tenure. In the case of conversion of fellowship to another category leave can be carried forward. The leave due can be carried over to the next year, however not more than 90 days can be accumulated at any time during the tenure. Of this not more than 30 days can be availed in a calendar year with stipend and beyond that any leave will be treated as "Leave Without Stipend". During the first year of Fellowship or any uncompleted year, leave may be granted on pro-rata basis. Sanction of leave without stipend may be considered by Council concerned under special circumstances. In case a Fellow proceeds on leave before expiry of Fellowship tenure, he/she must join back before the expiry of tenure; failing which the tenure will be deemed to have terminated with effect from the date he/she proceeded on leave. The fact of joining back from leave should be communicated to Council concerned immediately. As the Council concerned releases the grant in advance, therefore, the amount on account of "Leave Without Stipend" has to be refunded to Council concerned at the end of a financial year or adjusted against the fresh claim, if any.

- 20.** The Guide can grant leave to a Fellow in his/her charge with the concurrence of the Head of the Institution/Department if the leave is due as prescribed in para 24 above. If leave is not due, such cases will be decided by Council concerned only. The Fellow should not be allowed to proceed on leave to visit abroad for attending conferences/seminars etc. without prior approval of the Council concerned well in advance. The entire duration of such foreign visits if funded by any national/international agency, whether partially or fully, would be treated as leave without stipend.
- 21.1** Women Fellows with less than two surviving children will be entitled for full stipend plus HRA, during the period of absence upto 180 days on grounds of maternity. Such leave shall be sanctioned by the Guide under intimation to Council concerned. The Fellowship amount for leave period will be paid after the fellow resumes duty and submits a medical certificate in support of actual confinement. It is expected that the Fellow will make up for the research work during the remaining tenure.
- 21.2** Male Fellows of Council concerned with less than two surviving children are entitled for 15 days paternity leave during confinement of his wife on submission of relevant documentary proof.

22. TRANSFER OF FELLOWSHIP

The fellow should carefully choose the host institution, guide/supervisor, availability of necessary infrastructural and other research facilities etc. to carry out his/her research before joining. Request for transfer of fellowship will not be entertained except on compelling circumstances for which the fellow & his/her guide should submit proper justification. The No Objection Certificate should be produced by the Fellow from supervisor and Head of Department of University/Institute from where transfer is sought and consent of the Guide/Host Institute where Fellowships is sought to be transferred by giving reasons of transfer. No fellow will be allowed to join another institute without seeking prior approval from Council concerned for "transfer of fellowship" and if he/she joins elsewhere without approval of Council concerned, his/her fellowship may be terminated. Fellowship will stand terminated from the date of resignation. Further, no transfers will be allowed in the last six months of the tenure of fellowships and also after submission of Ph.D. thesis.

23. TERMINATION OF FELLOWSHIP

Research Fellowship will be terminated from the date of viva-voce of Ph.D. or on completion of fellowship tenure, whichever is earlier. The fellowship shall also

stand terminated from the date the Fellow resigns and his/her resignation has been accepted by Council concerned. The Fellowship may be terminated by the Council concerned on the recommendation of the Supervisor and Head of the Department/Institution. The fellowship may also be terminated if the institution where it is tenable, refuses to continue to provide facilities to the fellow on disciplinary grounds and so informs Council concerned.

24. If a fellow leaves without permission, stipend due at any time shall not be paid to him/her by the Institution, till all University and other dues are cleared and certified by the University/Institution. Responsibility in such cases shall be that of the University/Institution concerned.
25. **If a fellow leaves the research work either before submission of Ph.D. thesis or before completion of tenure of fellowship, he has to refund the fellowship amount received so far to the Council concerned within 6 months.**
26. The unspent balance of grant lying with the Institution at any time due to termination /resignation/transfer of fellowship of a Fellow/Leave sanctioned without stipend/interest earned on grants released by Council concerned must be refunded immediately by means of a demand draft.
27. Research Fellows must settle their claims within one year of leaving the Fellowship. No claim will be admitted by Council concerned after one year of leaving the Fellowship.
28. **ACCOMMODATION / HRA**

All Research Fellows may be allowed hostel accommodation wherever available and those residing in hostel provided by University/Institute will not be eligible for HRA. Reimbursement of hostel fee is not permissible. Where this is not possible, house rent allowance will be allowed as per the rules of the host institutions. In no case it should exceed the rates payable to Central Government Employees in that area. The basis for calculating HRA will be the actual stipend of the Research Fellow. The concerned institution will send HRA claim bill, in triplicate separately in respect of the Fellows who fulfil the requisite conditions of the host institution.

29. MEDICAL BENEFITS

- 29.1** Further, all Research Fellows may be provided medical facility as per Central /State Government Medical norms. This will be limited to the fellow only and not for his/her family members/dependents.
- 29.2** The host institute may get the fellows medically examined at the time of joining or thereafter.

D.O.No.F. 21-2/2016(PS/PMO/PG)

April 12, 2018

Dear Sir,

Kindly refer to your office letter No. DO No.15020/13/2016-RD dated 16th March, 2017 and 3rd August, 2017 regarding exempting the AYUSH NET qualified candidates from taking University Entrance Test for enrolment in Ph.D. programme. To deliberate on the issue, the Chairman, UGC constituted a Committee which examined the issue and noted that the disciplines of Ayurveda, Unani, Siddha and Homoeopathy (AYUSH) as such do not come under the purview of UGC. However, as far as Yoga is concerned, UGC is conducting NET in Yoga.

The Committee, therefore, recommended that AYUSH-NET and UGC-NET may be mutually recognized for the purpose of admission to M.Phil/Ph.D. programmes in the subjects covered under AYUSH except for those subjects in which UGC is conducting NET, such as 'Yoga'. However, this will not cover the mutual recognition for the purpose of determining eligibility for appointment as Assistant Professors in universities and colleges.

The Chairman, UGC has approved the recommendations of the above committee. You may, therefore, take further action in accordance with the recommendations of the Committee.

With regards

Yours sincerely,

D.O. No. D-15070/13/2016-RD(Pl.I)

Dated: 17th April, 2018

Dear Sir/ Madam,

I am to refer to the UGC's advisory issued vide D.O.No.F.14-12/2016(CPP-II) dated 26th October, 2016 addressed to the Vice Chancellors to include AYUSH disciplines in their Universities and affiliated Colleges to enable enrolment of candidates in the respective Ph.D. programme to facilitate the scholars pursuing their Ph.D. in AYUSH stream. Copy of said letter is enclosed for reference.

2. Further, I am happy to inform that on the lines of CSIR-UGC/ICMR NET, the Ministry of AYUSH through its Research Councils have initiated a National Level Entrance Test namely AYUSH-NET to promote quality research in AYUSH streams. Through this test fellowships are awarded to AYUSH scholars possessing post-graduate qualification (MD/MS) in the field of Ayurveda, Siddha, Unani, Homoeopathy and Yoga & Naturopathy (or BNYS degree with 5 years experience) and willing to pursue Ph.D. programme from any University of their own choice. AYUSH-NET consisted of two sections, viz., Aptitude section to test General Science and Research Aptitude; and subject specific section set by the experts in the system. The cut-off marks for the test have also been maintained at a high level in view that the qualifying candidates of AYUSH-NET have come out through an extensive test.

3. UGC has now communicated the approval of the Chairman, UGC vide D.O. Letter No. F-21-2/2016(PS/PMO/PG) dated 12.04.2018 addressed to the Secretary AYUSH (copy enclosed for reference) regarding exemption to the AYUSH-NET qualified candidates from taking University Entrance Test for enrolment in Ph.D. programme. UGC has recommended that AYUSH-NET and UGC-NET may be mutually recognized for the purpose of admission to M.Phil/Ph.D. programmes in the subjects covered under AYUSH except for those subjects in which UGC is conducting NET such as 'Yoga'.

4. In view of the above-mentioned mutual recognition of UGC-NET and AYUSH-NET for admission in Ph.D. programme, I request you to extend exemption to AYUSH-NET qualified candidates from university entrance test for Ph.D. Programme in your esteemed university and affiliated colleges, similar to the exemption already granted to UGC-NET and CSIR-NET etc. qualified candidates from the Ph.D. Entrance Test. It is also hereby intimated that many of the Universities including Central Universities like BHU, AMU and Jamia Milla etc are already considering exemption to the AYUSH-NET qualified fellows and have also made amendments in their Ph.D. Ordinance and Notification etc.

With regards,

Yours sincerely,
